Within these pages, an exceptional school year is reviewed. 2004 – 2005 has been a testament of student achievement in academics, athletics, community service, fine & performing arts, speech & debate and outdoor education. We have truly exemplified the School's motto – *nil nisi optimum*.

Strathcona-Tweedsmuir School celebrated its centennial with the province of Alberta this year. By commemorating the founding of St. Hilda's School for Girls in 1905 and the heritage of Strathcona School for Boys and Tweedsmuir School for Girls, we honoured the history of STS as the first independent School in Alberta.

During my first year at STS, I have seen the students excel within the School community – in the Terry Fox Run, during Spirit Week, and through Speech Day – and as ambassadors for the School – on the court, exploring abroad and on the stage. This passion and determination also cost me my hair at the Shave a Lid for a Kid campaign!

Thank you to Katelyn Woodford and Mr. Blais for putting together such an outstanding tribute to this year at STS.

Junior A Girls Volleyball

The "Jr. A" volleyball team had a very exciting season. We started out with many people on our team that had never played volleyball before. But within a few practices we looked like a real team! We started out our season by losing our first few games but after that we were almost undefeated. The only team we didn't beat was Red Deer Lake, the reigning champions. It came down to Red Deer Lake and us in the League championship game. After a very intense game, the Spartans came out as the winning team - the first time a Spartans team had won the Foothills Jr. A. League!

We had a lot of fun during the season and everyone improved immensely! "We started out as friends, and ended as family!" (quote by Shelby)

What an amazing season we had this year. After a slow start to league play, the boys did an outstanding job at the Lindsey Thurber Tournament in Red Deer and at the Brooks tournament. Building on these results, the boys earned a playoff spot in league and in the quarterfinal round defeated our archrivals Red Deer Lake to move on to the championship round against a very big Okotoks Junior High team. After splitting with them during league play, the boys couldn't quite pull-off another upset, but took them to a very close tiebreaker losing by only two points. The boys were invited to compete at the South Central Zone Championships as a wildcard entrant and fell short during the bronze medal match amidst an extremely competitive field.

JV Boys Volleyball

The Junior Varsity Boys came a long way this season. Hard work and great attitudes helped with this growth. The process of becoming good players and citizens of our school was definately apparent by the end of the season. Great job this year Gentleman, it was a pleasure for Ms Sweatman and I to coach you.

Senior Girls Volleyball

The Spartans had a great season this year with an overall record of 53 wins and 9 losses. A young team with only one grade twelve player, six grade eleven's and three grade ten's. After last years provincial championship team the Spartans had high aspirations for this year as well. Overall the team won two tournaments including the Western Canadian Independent Schools Volleyball Championships (for the 3rd year in a row) in Vancouver, B.C. as well as the South Central Zone Championships (for the 5th year in a row).

The team worked very hard came together at the right time and had a great finish once again and for the fifth consecutive time ended up in the provincial final. After what was one of the most exciting matches in years at the 2A level the Spartans fell to the Vauxhall Vi-Queens by a score of 25-13, 16-25 & 18-16.

A wonderful team, great friends, awesome memories and three month of too much fun. A high level of commitment from parents, players and coaches has made this a season to remember. Go Spartans Go!

Watch out for us next year!

Senior Boys Volleyball

This year, the Senior Men's' Varsity Volleyball team competed at several high caliber tournaments including; the University of Calgary, the Volleydome, The Rally Pointe, and hosted our second annual Spartan Cup, which once again brought teams from throughout Canada. Additionally, we also competed locally in the Foothills league, most often after gorging themselves on copious amounts of food at the home of one of the team. We finished the season off by hosting the South Central Zones in our own Sandy Heard Sports Hall.

The team learned many lessons, competed through thick and thin (or sick and thin) and most of all had fun in the experience.

U-15 CAIS Girls Soccer Team

This year the U15 Girls Soccer Team traveled to Montreal, Quebec for the annual CAIS Soccer Tournament. The girls started out strong with two wins the first day of tournament play, one against Armbrae Academy and then Holy Trinity School. Feeling strong the girls entered the second day of competition tying a game against St. Mildred's Lightbourn School. That afternoon they won against ECS School but unfortunately lost a challenging match in the driving rain to Sacred Heart School. The final days of game play found the team injured physically, but spirited emotionally and mentally. Overall the girls had an excellent record with 20 goals against. Most Improved player for the season was Rachel Roskey, the Most Valuable Athlete Laura Young, and the Most Consistent player award goes to Lauren Joe. Thanks to Ms. Muir and Ms. Wilson for coaching the team.

U-13 CAIS Boys Basketball Team

The highlight of the Boys U-13 Basketball season was the CAIS Tournament held in Aurora, Ontario on February 10-12. Not only did the team have a chance to hone their court skills by playing some awesome basketball against some spectacular teams (what do they feed them in Ontario anyways?!?) but we also got to drive Coaches Clark and McGuinness “crazy” for 5 whole days! In the end, the team gave it there all and came away with a sense of accomplishment for their performance as well as a deep feeling of satisfaction at having represented STS well and with pride – and some great memories!

The Junior B Boys' season has been action packed. They started off the year on a winning streak only to come up against the mammoth St. Mary's team. However, small, but mighty - the STS team this year was an absolute joy to coach and watch. Using their contagious smiles and easy going personalities the boys made the season fun, while at the same time teeming with improvement.

This year's Junior A Girls basketball team was a success. Highlights for the team included early morning practices, placing fourth in league play, winning the consolation finals at the Three Hills Tournament, and our final game against Red Deer Lake. The team showed grit and determination throughout their season and the improvements that they made as a team, and as individual athletes, was extraordinary. It was an exceptional season filled with growth and learning. Well done ladies!

The Senior Boys Basketball season was filled with love, lust and drama. With only 3 returning players, the SV team was quite young. The first tournament was a tough one, with all of the provincially ranked teams in attendance. We lost two close games with top 10 provincial teams, by a margin of +/- 10 points! League was difficult but we split with our arch nemesis Oilfields. Success at Zones was our big goal. That didn't go as well as planned but we capped off a fulfilling season with a great game against the home team that saw many players play at their peak including; Jeff take 5 3pointers and Imran dropping a buzzer beater reverse lay-up. Highlights of the season include the bullet shots constantly put by Fraser, scrum half passes from Kevin, the breaking of ankles by Jeff and James' ingenious way of stopping a shot – a headlock. Best regards to Mr. Jorgenson for spending his time with us and giving us invaluable experiences to take away from the season. Thanks for a great season guys!

Adventure
isn't hanging on a rope off the side of a

seizing new opportunities, testing our resources against the unknown

Hold a true friend with both hands
- Nigerian proverb

Friendship

"Your friend is your needs answered. He is your field which you sow with love and reap with thanksgiving. When you part from your friend, you grieve not; For that which you love most in him may be clearer in his absence, as the mountain to the climber is clearer from the plain. And let there be purpose in friendship save the deepening of the spirit... And in the sweetness of friendship let there be laughter, and sharing of pleasures. For in the dew of little things the heart finds its morning and is refreshed."

Love

"When love beckons to you follow him, Though his ways are hard and steep. And when his wings enfold you yield to him, Though the sword hidden among his pinions may wound you... Like sheaves of corn he gathers you unto himself. He threshes you to make you naked. He sifts you to free you from your husks. He grinds you to whiteness. He kneads you until you are pliant... Love gives naught but itself and takes naught but from itself. Love possesses not nor would it be possessed; For love is sufficient unto love."

February 1st, 2003 The world shifted. Paths were closed. New paths were opened. "For what is it to die but to stand naked in the wind and to melt into the sun?" Paths have shifted, but none have ended. Carved within our hearts, forever in our souls. Seven friends, seven stars.

Joy and Sorrow

"Your joy is your sorrow unmasked. And the selfsame well from which your laughter rises was oftentimes filled with your tears... The deeper that sorrow carves into your being, the more joy you can contain... When you are joyous, look deep into your heart and you shall find it is only that which has given you sorrow that is giving you joy. When you are sorrowful look again in your heart, and you shall see that in truth you are weeping for that which has been your delight... Together they come, and when one sits alone with you at your board, remember that the other is asleep upon your bed. Verily you are suspended like scales between your sorrow and your joy, they are inseparable."

Reason and Passion

"Your soul is oftentimes a battlefield, upon which your reason and your judgment wage war against passion and your appetite... Your reason and your passion are the rudder and the sails of your seafaring soul... reason, ruling alone, is a force confining; and passion, unattended, is a flame that burns to its own destruction... Therefore let your soul exalt your reason to the height of passion; that it may sing..."

Self-knowledge

"Your hearts know in silence the secrets of the days and the nights. But your ears thirst for the sound of your heart's knowledge. You would know in words that which you have always known in thought. You would touch with your fingers the naked body of your dreams... Say not, "I have found the truth," but rather, "I have found a truth." Say not, "I have found the path of the soul." Say rather, "I have met the soul walking upon my path."... The soul unfolds itself, like a lotus of countless petals."
